

## JEEP TOURS

Below we present some basic routes that we offer as tours and the following can be the basis for our discussion on your trip design. Routes are classified by duration: 7 days, 14 days, 19 days, 21 days and 28 days. All these routes can be modified according to your needs and wishes, especially the daily rhythm, which can be changed to fit your preference. A detailed offer will be sent to you upon request. All these routes are based on an average of 6 hours on the road per travel day. We also organize some circuits, including several days of horse riding and/or trekking if you wish, please review our ideas for alternative programs.

### **Trip J1. 7-days program**

#### **Ulaanbaatar - Arkhangai - Ulaanbaatar**

**Zorgol Khairhan mountain**

Travel in vast the steppes of the central area and Arkhangai mountains. To the south-east of Ulaanbaatar, you will see the northern edge of the Gobi desert - an infinite steppe with rocky mountains in middle. You will also find small sand dunes.
